

New Client Information Worksheet

Important instructions for completing this form

- The purpose of this form is to gather important information about clients' income and expenses and current money management practices. To ensure timely transition into the program, please complete, sign, and return this form, along with all supporting documents, through one of the following delivery methods listed *to the right*.
- Client spending is sent from our office every Tuesday. The amount of this check is set after your budget is in place and is determined by your need and/or the amount of funds available. If you have a request for the week please let our staff know by noon on Monday.
- If you are planning to make a purchase, and would like us to pay for it, you must first get approval. (This is to ensure you will have the funds available in your budget).
- We at no time repay personal loans. If you borrow money from a friend or relative, you must repay that from your spending check.
- You may request a monthly print-out of your account.
- CrissCross will not approve the purchase of firearms or weapons of any kind
